

Quick guide to setting up Direct Deposit for your paycheck

You will need your bank routing number and your account number, both of which can be found on one of your checking account checks.

Step 1: From your Workday home page, click on the Pay icon

Step 2: Select **Payment Elections**

Step 3: Click on **Add Elections**

Step 4: In the **Account Information** section, enter the following information

Account Setup

Worker: Tammy Trojan

Sample Check

Account Information

Account Nickname (optional): My checking account

Account Type: Checking Savings

Bank Name: Wells Fargo

Routing Transit Number: 123456789

Account Number: 0001234567890

Additional Information

Bank Identification Code: []

Annotations: Enter a name for your account (like "B of A checking"). This is helpful if you direct deposit to more than one account. Refer to your checking account check and the guide above to enter the information in this section. Okay to leave blank.

Step 5: Click on **OK** and then on **Done**, then review your changes on the confirmation screen

If you're only setting up one account, you're done!
