The Office of Environmental Health and Safety (EH&S) promotes a safe and healthy workplace for students, employees, and the surrounding community through the following programs and services:

### OCCUPATIONAL HEALTH

**Injury & Illness Prevention**

- Injury prevention@usc.edu
- Accident investigations
- 24/7 Serious injury reporting
- Report a safety concern
- Heat Stress Prevention Program
- Regulatory compliance
- OSHA safety training
- Job safety analysis

**Ergonomics**

ergonomics@admin.usc.edu

- On-line self evaluation
- One-on-one evaluation

**Industrial Hygiene**

injuryprevention@usc.edu

- Indoor air quality sampling
- Respirator fit testing/training
- Exposure assessments
- Regulatory compliance
- Asbestos/lead monitoring

**Shop Safety**

injuryprevention@usc.edu

- Shop inspections
- Fall protection
- Confined space entry
- Lock out/tag out
- Regulatory compliance
- PPE assessments

### RESEARCH SAFETY

**Laboratory Safety**

labsafety@usc.edu

- EH&S Assistant - PI portal; chemical/bio agents/RAM inventory; training records
- Lab hazard analysis tool (LHAT)
- Controlled substances program
- Annual/biannual laboratory inspections
- Consultation services
- Chemical hygiene
- Regulatory compliance
- SOP review
- PPE compliance

**Biological Safety**

biosafety@usc.edu

- Annual lab inspections
- BSL3 stewardship
- Consultation services
- Regulatory compliance
- Biological use authorization (BUA)
- Institutional Biosafety Committee (IBC)

**Radiation Safety**

radsafety@usc.edu

- Annual/biannual laboratory inspections
- Permit approval
- Rad surveys
- Consultation services
- Regulatory compliance
- Laser safety program

### HAZMAT MANAGEMENT

**Hazardous Waste**

hazmat@usc.edu

- Rad, chem, bio, and universal waste collections
- Lab clean-outs/decommissioning
- Fume hood decontamination
- Equipment decontamination
- Hazardous materials spill response
- Sustainability: Reduce Reuse Recycle

**Environmental Compliance**

hazmat@usc.edu

- CUPA permits - hazardous materials disclosure
- DTSC Biennial Hazardous Materials Disposal Disclosure
- AQMD - underground fuel tank permits
- Facility permitting/auditing
- Hazardous waste transportation permits

### SUSTAINABILITY

sustainability@usc.edu

- Green office/labs
- Tailgate waste diversion
- Zero waste
- Resource conservation
- Water conservation
- Renewable energy
- Urban garden
- Greenhouse gas inventory

EH&S maintains 24/7 On-Call status for DPS emergency notifications
