

Ready to quit
smoking for
good? **We're
here for you.**

How do I sign up?

Call or email USC Premier Care to set up the intake assessment. Your USC Premier Care Nurse will answer questions and schedule your initial consultation.

The program includes:

Our experts at Keck Medicine of USC, USC Pharmacies, and USC Occupational Therapists will help you understand options and develop a personal plan. We provide support when you are struggling and follow up frequently to assess progress. For an extra layer of support, we have counselors available to help participants “kick the habit” once and for all.

This program is available to all USC faculty and staff enrolled in any of the following medical plans: USC Trojan Care EPO, USC PPO, USC EPO Plus, Anthem HMO, Anthem MyChoice HMO, and Kaiser HMO.
