

Looking for easy? Try our home delivery pharmacy.

If one less thing to do in your day sounds good, you can get your prescription medicines delivered to your home instead of picking them up at the pharmacy. It's easy to set up home delivery for the prescriptions you take long-term for conditions like diabetes or asthma. You'll get a 90-day supply with free standard shipping. And it may save you money.

Your health plan is all about giving you choices. So when you need a prescription medicine, you can choose home delivery, you can keep getting your prescriptions at your local pharmacy, or you can get 90-day supplies from a CVS pharmacy. When you choose CVS, you can get many maintenance and non-maintenance drugs on your drug list at the same home delivery copay. It's up to you. You just need to let us know what you want to do. You'll be able to get your prescriptions filled at your local pharmacy two times — the first fill plus one refill — before you let us know your choice. After that, you'll have to pay the full cost for your medicines until you contact us.

When you get your medicines at your local pharmacy, we'll send you a letter to let you know you need to contact us with your choice and tell you about home delivery, how it works and cost savings you may see.

With home delivery, you get:

Savings

Many medicines cost less when you get a 90-day supply instead of three 30-day supplies.

Convenience

You can skip the trip to the pharmacy. First-time home delivery orders take about two weeks, and refills take 3 to 5 days. You can set up automatic refills, too.

Peace of mind

You'll be less likely to miss a dose and more likely to stay on track with the treatment your doctor prescribed.*

Two easy ways to switch:

1. You can let us know your choice after your final courtesy fill at the pharmacy online at **anthem.com** or through the Sydney app. Just visit the pharmacy page after you log in. You can also refill your prescriptions, find a pharmacy, see what's covered and even price drugs before you get them.
2. Or you can call us at the Pharmacy Member Services number on your health plan ID card.
