DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross and Blue Shield ("Anthem"). This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

YOU HAVE THE RIGHT TO LOOK AT THIS POLICY PRIOR TO ENROLLMENT.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

ELIGIBILITY AND ENROLLMENT

Subscriber

The subscriber is the member in whose name the membership is established.

A new employee who has a regular work week as specified in the Employer Master Contract is eligible to enroll for coverage as a subscriber. To find out the number of hours that must be worked per week to qualify for coverage, the employee must contact the employer.

Dependents

A subscriber's dependents may include the following:

- **Legal spouse** as recognized under the laws of the state where the subscriber lives. For information on spousal eligibility please contact the group.
- **Domestic partner.** Eligibility for coverage is at the option of the employer. Check with your employer to determine if a domestic partner will be eligible for coverage. Should the employer elect to provide coverage to domestic partners, all references to spouse in this Certificate include a domestic partner.
- **Newborn child.** A newborn child born to a member is covered under the subscriber's coverage for the first 31 days after birth.

During the first 31 day-period after birth, coverage for a newborn child shall consist of medically necessary care for injury and sickness, including care and treatment of medically diagnosed congenital defects and birth abnormalities. All services provided during the first 31 days of coverage are subject to the cost sharing requirements that are applicable to other sicknesses, diseases and conditions otherwise covered.

To continue coverage beyond the 31-day period after the newborn child's birth the subscriber must complete and submit an Enrollment Application/Change Form to add the newborn child as a dependent child to the subscriber's policy. Anthem must receive the Enrollment Application/Change Form within 31 days after the birth of the child to continue coverage for the 32nd day and thereafter.

The continuation of coverage beyond the 31-day period does not apply to grandchildren of the subscriber or subscriber's spouse, except as provided under the Grandchild of a subscriber or subscriber's spouse heading in this section.

- **Adopted child.** An unmarried child (who has not attained 18 years of age) adopted while the subscriber or the subscriber's spouse is eligible for coverage will be covered for 31 days after the date of placement for adoption.

"Placement for adoption" means circumstances under which a subscriber assumes or retains a legal obligation to partially or totally support a child in anticipation of the child's adoption. A placement terminates when the legal obligation for support terminates.

To continue coverage beyond the 31-day period after the adopted child's placement, the subscriber must complete and submit an Enrollment Application/Change Form to add the adopted child as a dependent child to the subscriber's policy. Anthem must receive the Enrollment Application/Change Form within 31 days after the placement of the child to continue coverage for the 32nd day and thereafter.

- **Dependent child.** A child (including a stepchild or a disabled child) under 26 years of age can be covered under the terms of this certificate. At the end of the birth month in which the child turns age 26 the dependent child is removed from coverage. If the subscriber or the subscriber's spouse is subject to a qualified medical child support order for a dependent child of the subscriber or the subscriber's spouse, the dependent child is eligible for coverage, whether the child lives with the subscriber or the subscriber's spouse.
- **Disabled dependent child.** An unmarried child who is 26 years of age or older, medically certified as disabled, and dependent on the parent can be covered under the terms of this certificate. Anthem must receive notice of the disability for the disabled dependent to continue coverage. A completed Mentally or Physically Disabled

Dependent Form must be submitted for the disabled dependent to be eligible for coverage. The subscriber and the disabled dependent's physician must complete this form and submit it to Anthem. The subscriber may call Anthem's customer service department to obtain a Mentally or Physically Disabled Dependent Form.

- **Grandchild of a subscriber or subscriber's spouse.** Grandchildren may be covered for the first 31 days after birth as long as the parent is covered as a dependent child under this certificate. For coverage to continue beyond the first 31 days after birth, the subscriber or the subscriber's spouse must be the court-appointed guardian for the grandchild. The subscriber must submit an Enrollment/Application Change Form and evidence of court appointment as permanent guardian. Another option is to enroll the grandchild under an individual membership, subject to its terms and conditions.

Medicare-Eligible Members

If a member becomes eligible for Medicare due to age, disability, or if a member qualifies for Medicare benefits through other circumstances, the member is responsible for contacting the local Social Security Administration office to establish Medicare eligibility. The member should then contact the subscriber's employer to discuss coverage options.

Enrollment Process

In order for eligible subscribers and their eligible dependents to obtain coverage, the subscriber must follow Anthem's enrollment process, which details who is eligible for enrollment and what forms are required for enrollment. Coverage under this certificate begins as of the effective date stated on the health benefit ID card. No services received prior to that date are covered.

Note: Submission of an Enrollment Application/Change Form does not guarantee member enrollment.

Enrollment Forms

The subscriber must submit an Enrollment Application/Change Form to add any dependents as members. Additional forms may be required for special dependent status. Subscribers may obtain an Enrollment Application/Change Form or any additional forms from their employer, from Anthem's website or by calling Anthem's customer service department.

Initial Enrollment

Eligible employees may apply for coverage for themselves and their eligible dependents by submitting an Enrollment Application/Change Form. Anthem must receive the Enrollment Application/Change Form within 31 days after the date of hire or within 31 days of the expiration of the waiting period, as defined in the employer's new hire policy. The effective date of coverage will be determined in accordance with any established waiting period as determined in the employer master contract. The employer will inform the employee of the length of the waiting period.

If a member terminates health insurance coverage with Anthem, and within the same member's benefit year enrolls in an Anthem benefit coverage within the same portfolio of plans offered by the employer, all covered benefits that have a benefit maximum will be carried into the new coverage. For example, if a benefit has a limit of one visit per member's benefit year and the member received that benefit under the prior coverage, that member is not eligible under the new coverage for the same benefit, as benefits have been exhausted for that member's benefit year.

Employer's Annual Renewal Enrollment Period

Any eligible employee may enroll during the employer's annual renewal enrollment period, which is generally a 31-day period prior to the employer's anniversary date. The employer's annual renewal enrollment period is subject to all provisions of the certificate. The anniversary date is the annual date when a group renews its coverage. The employer's benefit coordinator will provide the dates of the employer's annual renewal enrollment period and the anniversary date to the eligible employee.

Newly Eligible Dependent Enrollment

A current subscriber of this coverage may add a dependent that becomes newly eligible due to a qualifying event. Qualifying events include marriage, addition of domestic partner, birth, and placement for adoption or issuance of a court order. Anthem must receive an Enrollment Application/Change Form for the addition of the dependent within 31 days after the date of the qualifying event. Proof of the qualifying event, e.g., a copy of the marriage certificate or court order, must be attached to the completed Enrollment Application/Change Form. Coverage will be effective on the date of the qualifying event.

When the subscriber or the subscriber's spouse is required by a court or administrative order for child support, to provide coverage for an eligible dependent, the eligible dependent must be enrolled within 31 days of the issuance of such order. Anthem must receive a copy of the court or administrative order with the Enrollment Application/Change Form. If the subscriber does not enroll the eligible dependent within 31 days of issuance of the order, the subscriber must wait until the next employer's annual renewal enrollment period to enroll the dependent.

Special Enrollment for Eligible Employees and Eligible Dependents

Special enrollment is available for eligible employees and their eligible dependents that currently are not enrolled in the employer health coverage with Anthem. The following are events when special enrollment may occur.

Family Status Change - Any eligible employee and eligible dependents may enroll when a family status change occurs. Qualifying events for special enrollment due to a family status change include marriage, divorce, addition of domestic partner, termination of a domestic partnership, birth, placement for adoption or the issuance of a qualified medical child support order. Coverage with Anthem will be effective on the date of the qualifying event. When the qualifying event is a birth, any charges related to labor and delivery due to the birth are not covered. Anthem must receive the completed Enrollment Application/Change Form within 31 days after the date of the qualifying event. Proof of the qualifying event, e.g., copy of marriage certificate or court order, must be attached to the completed Enrollment Application/Change Form.

Involuntary Loss of Coverage - The involuntary loss of other group health insurance coverage is also a qualifying event for special enrollment for the eligible employee and/or eligible dependents. The involuntary loss of the other coverage must be due to termination of employment, reduction in the number of hours of employment, involuntary termination of creditable coverage, death of a spouse, legal separation or divorce, termination of a domestic partnership, or termination of employer contributions toward the coverage. If the employee is approved for special enrollment, the coverage with Anthem will be effective on the day following the loss of other coverage. If COBRA coverage is available, enrollment may only be requested after exhausting the COBRA coverage.

If the eligible employee and/or the eligible dependents had health insurance coverage elsewhere and voluntarily canceled such coverage, the eligible employee and/or the eligible dependents do not qualify for special enrollment. However, the eligible employee and/or the eligible dependents will be allowed to enroll at the employer's annual renewal enrollment period.

Status Change of State Medicaid Plan or State Child Health Insurance Program (SCHIP) - Loss of eligibility from a state Medicaid or SCHIP health plan is also a qualifying event for special enrollment for the eligible employee and/or eligible dependents. The employee must properly file an application with the employer within 60 days after coverage has ended. In addition, special enrollment is allowed for the employee who becomes eligible for premium assistance, with respect to coverage under the employer's health coverage, under a state Medicaid or SCHIP health plan, including any waiver or demonstration project conducted under or in relation to these plans. Similarly, the employee must properly file an application with the employer within 60 days after the eligibility date for assistance is determined.

Military Service

Employees going into or returning from military service may elect to continue Plan coverage as mandated by the Uniformed Services Employment and Reemployment Rights Act (USERRA) under the following circumstances. These rights apply only to employees and their dependents covered under the certificate before the employee leaves for military service:

- The maximum period of coverage of a person under such an election shall be the lesser of;
 - The 24 month period beginning on the date on which the person's absence begins; or
 - The day after the date on which the person was required to apply for or return to a position of employment and fails to do so.
- A person who elects to continue health plan coverage may be required to pay up to 102% of the full contribution under the certificate, except a person on active duty for 30 days or less cannot be required to pay more than the Employee's share, if any, for the coverage.

An exclusion or waiting period may not be imposed in connection with the reinstatement of coverage upon reemployment if one would not have been imposed had coverage not been terminated because of service. However, an exclusion or waiting period may be imposed for coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of uniformed service.

Multiple Anthem Coverages

Members may have more than one group health insurance policy with Anthem or any of its affiliates. To be eligible for a premium refund, a member has 31 days after the date duplicate coverage begins to notify Anthem if duplicate coverage is not desired. If notification is not received within this 31-day period, no retroactive refund in premium payments will be granted, but the member may still terminate the duplicate coverage.

How to Change Coverage

If a group provides employees with multiple health care options, covered employees may switch coverage for themselves and their covered dependents to another coverage offered by the group during the employer's annual renewal enrollment period.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) On the date determined by your employer in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Certificate remains in effect and you or your spouse or your Dependent child is a Member under this Certificate:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Subscriber and Dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Divorce, marriage dissolution, or legal separation	Former spouse and any Dependent children who lose coverage	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Death of Subscriber	Surviving spouse and Dependent children	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.

Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependents lose eligibility due to Subscriber's entitlement to Medicare	Spouse and Dependents	Earliest of: 1. 36 months, or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Subscriber's total disability	Subscriber and Dependents	Earliest of: 1. 29 months, or 2. Date total disability ends, or 3. Enrollment date in other group coverage or Medicare.
Retirees of employer filing Chapter 11 bankruptcy (includes substantial reduction in coverage within 1 year of filing)	Retiree and Dependents	Earliest of: 1. Enrollment date in other group coverage, or 2. Death of retiree or Dependent electing COBRA.
Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving spouse and Dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage; except that, in the case of death of an eligible employee, divorce, legal separation, an employee's eligibility for Medicare or a dependent child ceasing to meet eligibility requirements, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

Requests for information is subject to all applicable confidentiality requirements.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet Our definition of a Covered Service. For Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Schedule of Maximum Allowable Charges. For Non-Participating Dentists, the Maximum Allowed Amount will be reimbursed according to the Table of Allowances.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, We will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the Dental Procedure. Applying these rules may affect Our determination of the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, Our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum

Allowed Amount is based upon the lesser of the Dentist's actual charges or the Schedule of Maximum Allowable Charges. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call Our Customer Service Department at (855) 769-1462 for help in finding a Participating Dentist or visit Our website at www.anthem.com/mydentalvision.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges an amount based on Our Non-Participating Dentist fee schedule, referred to as the Table of Allowances, which We have established in Our discretion, and which We reserve the right to modify from time to time after considering one or more of the following: reimbursement amounts accepted by similar providers contracted with Us, and other industry cost, reimbursement and utilization data. The Table of Allowances may be different from the Maximum Allowed Amount reimbursed to Participating Dentists.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Our Customer Service Department at (855) 769-1462 for help in finding a Participating Dentist or visit Our website at www.anthem.com/mydentalvision.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

THE MEMBER IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY A NON-PARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NON-PARTICIPATING DENTIST, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE MEMBER UNLESS YOU ASSIGN

THE PAYMENT DIRECTLY TO THE PROVIDER OF THE DENTAL SERVICE BY INDICATING SO ON THE CLAIM FORM UNLESS YOU ASSIGN THE PAYMENT DIRECTLY TO THE PROVIDER OF THE DENTAL SERVICE BY INDICATING SO ON THE CLAIM FORM.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 12 months of receiving the Covered Services, and must have the data We need to determine benefits. Failure to give Us notice within 90 days will not reduce any benefit if you show that the notice was given as soon as reasonably possible. No notice can be submitted later than one year after the usual 12 month filing period ends. If the notice submitted does not include sufficient data We need to process the claim, then the necessary data must be submitted to Us within the time frames specified in this provision or no benefits will be payable except as otherwise required by law.

Notice given by or on behalf of the Member or the beneficiary to the Member, or to any authorized agent of the Member, with information sufficient to identify the Member, shall be deemed notice to Anthem.

Any benefits due under this Certificate shall be due once We have received proper, written proof of loss, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of loss, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claims should be submitted to:

Anthem Blue Cross and Blue Shield
Attn: Dental Claims
PO Box 1115
Minneapolis, MN 55440-1115
(855) 769-1462

Proof of Claim

Written proof of claim satisfactory to Us must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, either send a written request for claim forms to Us or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. After We receive a written notice of claim, We will give you any forms you need to file proof of loss. If We do not give you these forms within 15 days after you have filed your notice of claim, you will not have to use these forms, and you may file proof of loss by sending Us written proof of the occurrence giving rise to the claim. Such written proof must include the extent and character of the loss.

If you do not receive the forms, written notice of services rendered may be submitted to Us without the claim form. The same information that would be given on the claim form must be included in the written notice of claim. This includes:

- Name of patient
- Patient's relationship with the Subscriber

- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Time of Payment of Claim

Any benefits due under this Certificate shall be due once We receive proper, written proof of loss together with any such additional information reasonably necessary to determine Our obligation and will be paid immediately upon receipt of due written proof. We will pay dental benefits to your estate should loss of life occur and no authorized assignment of benefits have been made. These payments fulfill Our obligation to you for those services.

Member's Cooperation

Each Member shall complete and submit to the Plan such authorizations, consents, releases, assignments and other documents as may be requested by the Plan in order to obtain or assure reimbursement under Medicare, Worker's Compensation or any other governmental program. Any Member who fails to cooperate will be responsible for any charge for services.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Pretreatment Estimate (Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETICS OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, periodontics, prosthetics or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist in a dental office or via telehealth to the same extent as though provided in person and when necessary and customary as determined by the standards of generally accepted dental practice. Telehealth is the delivery of Covered Services from a Dentist to a Member at a different location through the use of information and audio-visual communication technology, not including standard telephone, facsimile or electronic mail. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is a Dental Procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist which are dentally necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist and are dentally necessary for you, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. Determination of services necessary to meet your individual dental needs is between you and your Dentist.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

GENERAL PROVISIONS

Entire Contract

This Certificate, the Group Dental Contract, the Group application, any riders, endorsements or attachments, and the individual applications of the Subscriber and Dependents, if any, constitute the entire Contract between the Plan and the Group and as of the Effective Date, supersede all other agreements between the parties. Any and all statements made to the Plan by the Group and any and all statements made to the Group by the Plan are representations and not warranties, and no such statement, unless it is contained in a written application for coverage under this Certificate, shall be used in defense to a claim under this Certificate.

Form or Content of Certificate

No agent or employee of the Plan is authorized to change the form or content of this Certificate. Such changes can be made only through an endorsement authorized and signed by an officer of the Plan.

Time Limit on Certain Defenses

After you have been insured under this Certificate for two (2) consecutive Years, We will not use any misstatements you may have made in your application for this Certificate, except any fraudulent misstatements, to either void this Certificate or to deny a claim for any Covered Services incurred after the expiration of such two (2) Year period.

Workers' Compensation Insurance

The Certificate does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Relationship of Parties (Plan - Participating Dentists)

The relationship between the Plan and Participating Dentists is an independent contractor relationship. Participating Dentists are not agents or employees of the Plan, nor is the Plan, or any employee of the Plan, an employee or agent of Participating Dentists.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Participating Dentist or in any Participating Dentist's facilities.

Your Participating Dentist's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Participating Dentists and Non-Participating Dentists. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or the Plan.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of dental care, services or supplies, does or does not do.

Identification Card

Your Identification Card identifies the dental program in which you are enrolled. When you receive care from a Participating or Non-Participating Dentist, you must show your Identification Card. Possession of an Identification Card confers no right to services or other benefits under this Certificate. To be entitled to such services or benefits you must be a Member on whose behalf all applicable Premiums under this Certificate have been paid. If you

receive services or other benefits to which you are not then entitled under the provisions of this Certificate you will be responsible for the actual cost of such services or benefits.

Circumstances Beyond the Control of the Plan

In the event of circumstances not within the control of the Plan, including but not limited to, a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Plan, disability of a significant part of a Participating Dentist's personnel or similar causes, or the rendering of dental care services provided under this Certificate is delayed or rendered impractical, the Plan shall make a good-faith effort to arrange for an alternative method of providing coverage. In such event, the Plan and Participating Dentists shall render dental care services provided under this Certificate insofar as practical, and according to their best judgment; but the Plan and Participating Dentists shall incur no liability or obligation for delay, or failure to provide or arrange for services if such failure or delay is caused by such an event.

Employer Premiums

Your employer is responsible for paying a monthly Premium by the first day of the month for which coverage is purchased. We will allow employers a 31 day grace period to pay monthly Premiums, except for the first month's Premium. During this grace period, coverage will continue unless We receive a written notice of termination from your employer. We will notify your employer at least 15 days prior to terminating the Group Contract for non-payment of a monthly Premium. Anthem is not responsible for costs you incur during any period (other than the grace period discussed above) when your employer fails to pay full Premiums.

Reinstatement of Coverage for Members of the Military

Members of the United States Military Reserve and National Guard who terminate coverage as a result of being ordered to active duty on or after January 1, 2007, may have their coverage reinstated without waiting periods or exclusions of coverage for preexisting conditions.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other Anthem plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group Anthem, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

Anthem will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when Anthem is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When Anthem determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed Anthem *maximum allowed amount* for covered services.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the secondary coverage and any standalone dental plan will be the primary coverage.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed above. The gender rule states that the father's contract will be primary for the children.
8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, Anthem may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, Anthem will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Physical Examination and Autopsy

We shall have the right to: (1) examine any Member for whom a claim is made when and as often as may be reasonably required during the pendency of a claim.

Legal Action

You may not take legal action against Us to receive benefits:

- Earlier than 60 days after We receive the claim; or
- Later than three years after the date the claim is required to be furnished to Us or the date of service.

You must exhaust the Plan's Grievance and Appeal Procedures before filing a lawsuit or other legal action of any kind against Us.

Change of Beneficiary

The right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

Right of Recovery

When the amount We paid exceeds Our liability under this Certificate, We have the right to recover the excess amount. This amount may be recovered from you, the person to whom payment was made or any other plan. The request for recovery must be made within 365 days of the initial payment.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this Certificate is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.

The Plan, or anyone acting on Our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, We, or anyone acting on Our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are covered. However, a Member may utilize all applicable Grievance and Appeals Procedures.

The Plan, or anyone acting on Our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the Certificate. This includes, without limitation, the power to construe the Group Dental Contract, to determine all questions arising under the Certificate, to resolve Member Grievances and Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this Certificate. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the Group Dental Contract, the Certificate, Provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Acknowledgement of Understanding

By accepting this Certificate, you hereby expressly acknowledge that you understand this Certificate constitutes a contract solely between you and Anthem Blue Cross and Blue Shield (Anthem), and that Anthem is the trade name of Rocky Mountain Hospital and Medical Services, Inc. The Blue Cross and Blue Shield marks are registered by the Blue Cross and Blue Shield Association with the U.S. Patent and Trademark Office in Washington, D.C. and in other countries. This paragraph shall not create any additional obligations whatsoever on the part of Anthem other than those obligations created under other provisions of this agreement. You further acknowledge and agree that you have not entered into this Certificate based upon representations by any person other than Anthem Blue Cross and Blue Shield and that no person, entity, or organization other than Anthem Blue Cross and Blue Shield shall be held accountable or liable to you for any of Anthem Blue Cross and Blue Shield's obligations to you created under this Certificate. This paragraph shall not create any additional obligations whatsoever on the part of Anthem Blue Cross and Blue Shield other than those obligations created under other provisions of this agreement.
