**USC** University of  
Southern California

## Welcome to the USC Trojan Care EPO Plan

The USC Trojan Care EPO Plan is a self-funded medical benefit program provided by the University of Southern California. As a Participant/Covered Person of the USC Trojan Care EPO Plan, benefits are administered by the university with HealthComp, Anthem Blue Cross and Navitus, each providing certain administrative services.

The USC Trojan Care EPO Plan is an Exclusive Provider Organization that provides convenient access to a full range of high quality providers near where you live or work. Included in the EPO provider network are Keck Medicine of USC providers, as well as other select Anthem providers within six Southern California counties. Plus, your dependents who reside out of state or in Northern California have access to Anthem Prudent Buyer/BlueCard providers where they reside.

It is important to know that you must use USC Trojan Care EPO Plan network providers to receive plan benefits; **there is no out-of-network coverage except in an emergency or urgent care services. Examples of out-of-network providers include, but are not limited to, UCLA Health hospitals, their physicians and any of its affiliates, Cedars Sinai Medical Center, their physicians and any of its affiliates, and City of Hope - Duarte.**

While you don't have to choose a primary care physician (PCP), your network PCP office visit copay will be \$15 instead of \$25 after you do designate one. To designate a PCP for you and your covered dependents, register at **honline.healthcomp.com/usc**. Changes made on or before the 15th day of the month will be effective on the 1st of the following month.

## Finding an EPO Plan Provider

To find USC Trojan Care EPO Plan providers, go to **honline.healthcomp.com/usc** and select "Find a Provider". You can filter your search.

You can also visit **keckmedicine.org** to search for a Keck Medicine provider or call **(833) KECK-USC/(833) 532-5872**.

For dependents who reside out of state or in Northern California, search for a provider at **anthem.com/ca**. Search as a "Member" by entering the 3-digit alpha prefix found on your dependent plan ID card number under the "Use Member ID for Basic Search" field.

## PRIOR AUTHORIZATIONS

Anthem Blue Cross provides Prior Authorization for all scheduled hospitalizations, outpatient surgical procedures, and certain medical health services. Physical and occupational therapy require Prior Authorization after the first 20 visits of the calendar year.

## HealthComp Administrators

HealthComp is a Third Party Administrator (TPA) responsible for processing all medical claims, maintaining eligibility, generating Plan ID cards, and providing customer service for members of the USC Trojan Care EPO Plan.

Contact information for HealthComp is shown below and is also printed on the front of your Plan ID card. Information on where to submit medical claims is printed on the back of your Plan ID card.
