

Livongo Diabetes Management

Key benefits of the Livongo for Diabetes Program

More than a standard meter

Your meter is connected and automatically uploads your blood glucose readings, as well as provides real-time tips.

Coaching anytime and anywhere

Our coaches are Certified Diabetes Educators who are available anytime via phone, text, or mobile app to give you guidance on your nutrition and lifestyle questions.

Unlimited strips at no cost to you

Get as many strips and lancets as you need, all shipped right to your door, with no hidden costs.

Living with diabetes?

An advanced technology management tool is now available at no charge.

Livongo for Diabetes is a new kind of Diabetes Management Tool. It offers personalized, relevant, and timely support using a combination of connected technology, digitally delivered health signals, and live, expert coaching.

Livongo users receive actionable insights to help maintain their health and see real, measurable clinical improvements in terms of reduced A1C levels and hypoglycemia.

The program is comprehensive, holistic, and available to USC Trojan Care EPO and USC PPO Plan members, completely free of charge.
