Making every step of the journey count

**Quality**
All our plans offer top-quality services and access to providers. Our goal is to make USC-provided care more affordable and convenient to the Trojan community.

**USC doctors**
Enroll in the USC Trojan Care EPO or the USC PPO Plan to see Keck Medicine of USC world-class physicians providing primary and specialized care.

**Provider choice**
All of our medical plans provide a full range of services and convenient locations. For access to out-of-network providers, you should enroll in the USC PPO Plan.

**Cost**
Be sure to compare the total costs under each plan. Consider costs like deductible, office visit copays, prescription copays, and maximum out-of-pocket.

**Keeping your current doctor**
Unless you’re currently in the Kaiser plan, there’s a good chance your current doctor participates in one of the offered plans. To keep your Kaiser doctor, you must enroll in the Kaiser HMO Plan.

**Convenience**
Keck Medicine of USC is continually expanding its network of providers throughout Southern California to ensure you find the medical care you need close to home or work.

USC Additional and Voluntary Benefits
USC offers two types of Flexible Spending Accounts (FSA) in which employees can participate and use tax-free dollars to pay for qualified expenses throughout the year. There are many benefits of using an FSA:

- **It saves you money.** You can set aside tax-free money to pay for qualified expenses.
- **It’s a tax-saver.** Since your taxable income is decreased by your contributions, you’ll pay less in taxes.
- **It is flexible.** You can use Health Care FSA funds on qualified expenses at any time during the plan year.

**Health Care FSA (FSA)**

Health Care FSAs allow you to pay for qualified health care expenses with pre-tax dollars.

**What can a Health Care FSA be used for?**

- Medical plan deductibles
- Most insurance copays
- Prescription drugs
- Some OTC medications – with a prescription
- Vision exams, eyeglasses, and contact lenses
- Laser eye surgery
- And more!

<table>

<tr>
<th>Health FSA</th>

</thead>
<tbody>
<tr>
<td>Annual contribution limit</td>
<td>$100 minimum; $3,050 maximum</td>
</tr>
</tbody>
</table>

**FSA money “Use it or Lose it” rule**

You cannot stockpile money in your FSA. You should only contribute the amount of money you expect to pay out of pocket that year. You can only carry over $610 from the Health FSA to the following year; Dependent Care FSA does not allow for carry over funds. **If you do not use it, you lose it.**

Services must be provided in 2024 and submitted for reimbursement to HealthEquity by Mar. 31, 2025.

**Dependent Care FSA (DCFSA)**

Dependent Care FSAs allow you to pay for qualified dependent care expenses with pre-tax dollars. It does not allow for carry over funds. If you do not use it, you lose it.

**What can a Dependent Care FSA be used for?**

- Daycare — up to age 13
- Before and after school care — up to age 13
- Elder care — must be claimed as dependent on annual tax return
- Day camp — up to age 13

**Dependent Care FSA**

**Annual contribution limit**

- Minimum annual contribution
- Married and filing separately: $100 minimum; $2,500 maximum
- Single or married and filing jointly: $5,000 maximum

*Special Limits to the Dependent Care FSA for Highly Compensated Faculty and Staff (HCE): For the 2024 calendar year, an employee who earns more than $150,000 is considered an HCE. Earnings subject to the $150,000 threshold include all pre-tax W2 wages, before qualified pre-tax deductions such as employee contributions to benefits, qualified pre-tax withholdings, or retirement plan deferrals.

If you are an HCE, your Dependent Care FSA deduction may not exceed $3,600 per family for a married couple filing jointly or for a single parent. For an HCE married person filing separately, the limit is $2,500.

You cannot transfer funds between the Healthcare FSA and Dependent Care FSA.
Life insurance protects your loved ones financially in the event of your death. Accidental death and dismemberment (AD&D) provides an additional benefit if you die or become dismembered due to a covered accident.

**How to Apply**

You may apply for life insurance coverage quickly and securely online using Workday. Click the Workday icon on the Employee Gateway at employees.usc.edu.

*All applications for coverage are subject to review and approval by MetLife. If you choose to apply for increased coverage, the increase may be subject to underwriting. MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife’s underwriting rules, and other information you authorize us to review. Your beneficiary may receive up to 100% of the AD&D amount if you die as a result of a covered accidental injury. You may receive an accidental dismemberment benefit for losses to a hand, a foot, or the sight of an eye due to an accidental injury. See the policy for the exact schedule of losses and benefits.

*Newly eligible employees can elect up to $500,000 in employee voluntary life insurance and up to $50,000 in dependent spouse/domestic partner coverage without answering any health questions.
Disability Insurance

Disability insurance is designed to replace income when an employee is medically certified as unable to work due to an injury or medical condition.

Short Term Disability Insurance

Short-term disability insurance provides up to 52 weeks of coverage, after a seven-day unpaid waiting period. California faculty and staff are automatically enrolled in the California State Disability Insurance.

If preferred, benefits-eligible faculty and staff may choose to instead enroll in USC's Basic Short Term Disability insurance that provides the same amount of coverage as well as additional benefits:

- Participants of the USC Basic Short Term Disability plan generally receive a greater benefit than they would under California State Disability Insurance.
- Only participants of the USC Basic Short Term Disability plan may choose to enhance their coverage by also electing the USC Supplemental Short Term Disability plan.

Supplemental Disability

Supplemental Disability insurance provides a larger percentage of base wages for up to 52 weeks. Eligibility to enroll begins after 12 months of active benefits-eligible employment and is only available when already enrolled in USC Basic Short Term Disability insurance.
