

Traveling? Your benefits are with you around the world.

The BlueCard® and Blue Cross Blue Shield Global® Core programs provide peace of mind near and far.

As a USC PPO plan member, you have access to care across the country through the BlueCard® network and to doctors and hospitals in nearly 190 countries and territories world-wide through the Blue Cross Blue Shield Global® Core program.

What you need to know before you travel:

- Before leaving the country, contact Member Services to:
 - Ask if your international benefits are different.
 - Find out if precertification (approval before getting care) is needed.
- Save money by seeing a Blue Cross Blue Shield Global® Core program doctor or hospital. You only pay your usual out-of-pocket amounts (deductible, percentage of costs, or copay).
- Show your USC PPO Plan ID card so the doctor or hospital can check your benefits and send Anthem a claim for processing.

What if your doctor or hospital is not part of the Blue Cross Blue Shield Global® Core program?

1. You will need to pay upfront in full for your care.
2. Download an international claim form at bcbsglobalcore.com or request a form by calling Member Services at the number on your Plan ID card.
3. Fill out the claim form and send it with the original bill(s) to the Blue Cross Blue Shield Global® Core Service Center.
